Maryville, Missouri

Wednesday, October 5, 1955

Meet the Campus Leaders - the Student Senate

Shown above is a scene from a recent meeting of the campus governing body, the Student Senate. Standing is Ken Moore, president. Seated are, left to right, Miss Lois Simons, adviser, Don Warford, Shirley Woodring, Frank Davis, Barbara Taylor, Art Buckingham, Evelyn Severson, Dr. Sterling Surrey, adviser, Shirley Dieterich, Lester Woolen, Bob Smith, and Norman Higginbotham.

Student Senate Prepares Plans for Anniversary Year Activities

The Student Senate, with the cooperation of the entire student body, is launching a celebration of the fiftieth anniversary year of the College, part of which will culminate in the Homecoming activities.

The proposed idea is that men and women either grow beards or buy a wig. The College will observe an Anniversary Day, and the faculty may or may not participate, as they wish. Student Senate President Kenneth Moore appointed a non-partisan committee to carry out the program.

The Student Senate acts as a sanctioning body for college activities. A selected Judiciary Committee may act upon unauthorized activities. The Senate is composed of four senators each from the senior, junior, and sophomore classes, two senators from the freshman class, and a president and vice-president.

Members this year include: senators, Frank Davis, Barbara Taylor, Bob Smith and Don Warford; juniors, Art Buckingham, Norman Higginbotham and Lester Woolen; sophomores, Shirley Dieterich, Susan Joyce Ely, and Shirley Woodring. Officers of the organization are Kenneth Moore, president; Evelyn Finter Severson, vice-president; Susan Joyce Ely, secretary; and Norman Higginbotham, treasurer. The sponsors are Dr. Sterling Surrey, chairman of the business department, and Miss Lois Simons, director of student activities.

An election will be held at a future date for selection of freshman and absentee senators.

A. P. O. Will Publish New Campus Directory

Alpha Phi Omega, the campus service fraternity, has announced plans to prepare and distribute a Student and Faculty Directory for the Golden Anniversary Year. This directory, which is to be in booklet form, will contain the name, Maryville address, home address, and Maryville telephone number of each student and faculty member of the College.

Bill Schultz is in charge of the committee preparing the booklet which will be on sale before Homecoming.

In the past, Alpha Phi Omega has completed several projects which have added to the campus facilities. These include the sign at the College entrance, the faculty directory board on the first floor of the Administration building, and the signs which identify the various campus buildings.

For Girls Only!

Girls—your time has come! The Golden Anniversary Student Committee is now making it possible for you to help celebrate this great year too.

You have a choice of four articles to wear—a big old-fashioned bonnet, a shawl, an original decorated full size apron (not one of these frilly things from Vogue magazine) or carry a fancy parasol.

Any girl caught not wearing one of these four articles will be fined fifty cents for each offense. Sundays are the only time these rules will not be enforced. All money collected will go to the Student Loan Fund.

Union Workers Meet For Special Training In Handling of Foods

For the purpose of learning the proper methods of handling foods, a training meeting for the employees of the Union, including lounge, dining room, kitchen, and snack bar workers, was held Thursday, September 22, in the Union lounge.

Mr. Gene W. McElyea, assistant supervisor in food sanitation in the Missouri Division of Health, Jefferson City, gave a lecture illustrated with colored slides and showed a film.

Basic concepts of bacteriology and cleanliness in food handling were stressed. The differences between a "hash slinger" and a professional "food handler" were depicted in the film. Conditions necessary for correctly sanitized dish washing procedures were discussed.

Both the regular staff and the student helpers attended. All those who were present at the training course will be given a certificate issued by the State Board of Health.

President J. W. Jones opened the meeting and during a short talk stressed the importance of the Union employees' working as a team to serve the student body in making the Union an enjoyable and valuable part of the campus.

Famous Navy Band Will Appear Here

Two matinees and an evening concert will be presented in the main auditorium on October 31st by the United States Navy Band, under the direction of Commander Charles Brendler.

Students with an activity card can be admitted free to one afternoon show by obtaining a reserved seat ticket from Dr. Sterling Surrey, in room 101. The scheduled time for the matinee performances will be announced later. The evening concert will be presented at 8:15 p. m. Tickets for the latter concert are \$1.25 each, tax included.

Today, the United States Navy Band is composed of approximately one hundred individual artists. Besides having an ultra modern "swingphonette" section, which attempts to give sparkling personality to light operas and the latest "hit" tunes, the band contains within itself a complete symphony orchestra.

Tivoli Will Feature Gilbert and Sullivan October 19 and 20

Tickets will soon be on sale in the halls of the Administration Building for the Tivoli Theater's benefit show for the Student Loan Fund. The annual Loan Fund campaign will receive a big boost from the local theater which will feature "The Great Gilbert and Sullivan" on October 19 and 20.

"Gilbert and Sullivan" is a gay, charming film life of a famous team who composed the world's most famous light operas. Star performers in this technical movie are Robert Morley, Maurice Evans, Eileen Herlie, Peter Finch, Martyn Green and Dinah Sheridan.

Articles by Faculty Are Listed in Guide

Two published articles by members of the College staff are listed in the most recent edition of "Progress of Medieval and Renaissance Studies in the United States and Canada," the guide to scholarly publications in this field.

These are Dr. W. A. Brandenburg's article entitled "Marsiglio of Padua," which appeared in the June, 1954, edition of THE NORTHWEST MISSOURI STATE COLLEGE STUDIES; and Dr. J. Kelley Sowards' article entitled "Some Factors in the Re-Evaluation of Thomas More's Utopia," which appeared in the June, 1952, edition of the STUDIES.

Annual Teachers Meet Will Feature Brownell

U. S. Commissioner of Education Is to Speak at Thursday Session

On Thursday and Friday of this week, October 6 and 7, the College will host the thirty-eighth annual meeting of the Northwest Missouri Teachers Association.

Dr. S. M. Brownell, U.S. Commissioner of Education, Department of Health, Education, and Welfare, Washington, D.C., and Dr. W. A. Early, Superintendent of Chatham County public schools, Savannah, Georgia, and past president of the National Education Association, will be the two principal speakers at the meeting.

Enrollment Shows 30 Per Cent Gain

With the total number of full time students now at 1225, the College has topped enrollment increases among the Missouri state colleges for the second consecutive year. The number of students enrolled this fall represents a 30 per cent increase over that of last year. Other colleges report an average increase of only 18 per cent.

Listed below is Northwest Missouri State's record for the past two years.

Enrollment increase during past two years:

Fall '53	730
Fall '54	943
Fall '55	1,225

Unofficial class breakdown for 1955:

Freshmen	493
Sophomores	309
Juniors	233
Seniors	186
Post Grads	4

Although most colleges report an increase in returning veterans, local college officials reveal an increasing number of students from farms. Korean veterans number 230; men outnumber women 11 to 6.

Bulletin!

The U. S. Navy Band will honor this campus by presenting the premiere of the "Golden Anniversary March," written by Mr. Earle Moss, of the College music department.

The "Golden Anniversary March" will be presented on the evening program, October 31, according to Dr. Sterling Surrey, chairman of the assemblies committee.

General sessions of the association will be held in the college auditorium at 9:15 a. m. on Thursday, and at 9:15 a. m. and 1:30 p. m. on Friday. College students will be admitted to these sessions and to many of the departmental and sectional meetings upon presentation of the student activity card.

Dr. J. W. Jones, president of the College, will give the address of welcome to the association at the Thursday morning session, after which Dr. Brownell will speak on the subject, "Education and Communication."

Mr. Brownell, the United States Commissioner of Education, is a native of Nebraska. He received his A. B. degree from the University of Nebraska, and his M. A. and Ph. D. degrees from Yale University. Honorary degrees have been conferred on him by several colleges and universities including the University of Denver, Colorado; Bradley University, Peoria, Illinois; and Central College, Fayetteville, Missouri.

Professionally, Mr. Brownell received experience as Assistant Professor of Education, New York State College for Teachers, Albany, New York; Professor of Educational Administration, Yale University Graduate School; and

(Continued on Page Two)

President Attends Meeting

Dr. J. W. Jones, president of the College, attended a meeting of the executive committee for the American Association of Colleges for Teacher Education at the Pittsburg State Teachers College, Pittsburg, Kans., October 3 and 4.

Traffic Rules to Be Enforced

ATTENTION ALL DRIVERS OF CARS on the campus of the college: effective October tenth the campus traffic officers will start to enforce the traffic regulations. The traffic regulations have been developed as a means of helping with this problem on our campus. The regulations are very simple: all cars must be registered with the Registrar; drive carefully at all times; park only in recognized parking areas; and do not park in any traffic way.

Observance of these regulations will be a courteous act to other drivers. You will have treated them as you want to be treated. Anyone who violates these regulations is doing so willfully, and he must be willing to face the consequences of his act.

The laws of the State of Missouri delegate to the Board of Regents the authority to fix necessary rules and regulations for the conduct of students in this college. Since the College campus lies within the city limits of Maryville the City Council adopted the same regulations as adopted by the Board of Regents to regulate traffic on the campus.

The administration of the college appreciates the cooperation that is shown by those students who do follow the regulations. There are very few students who violate the traffic regulations.

Drivers are asked to park within the marked areas in order to get as many cars in the parking areas as possible. Plans are underway to increase facilities.

Please do not blame the traffic officer or the administration if you are reported to the police court. YOU are the one who violates the regulation, or YOU are the one who cooperates and helps to make this campus a safe place and makes the maximum use of every parking facility.

J. W. JONES, President.

No Smoking, Please . . .

Since the opening of the Union there has been the regulation that smoking is not permitted anywhere on the second floor except on the deck. There are several reasons for this no smoking regulation: danger of fire, damage to furniture and floors, mess created by the smokers. The Board of Regents and the Administration of the College are eager to keep the second floor in the fine condition that it has been kept by the students. It is urged that each student and faculty member assume the responsibility of building a tradition on this campus that smoking on the second floor—except on the deck—is not permitted. Let us all unite in keeping the Union as a place for gracious living.

J. W. Jones
President

Know the College Library . . .

Do you remember the building where you registered? It's open throughout the school year and is known as the Library.

Inside, centuries of knowledge—50,000 volumes—have been gathered for your benefit. The up-to-date and adequate furnishings provide an inviting and comfortable retreat for study, recreational reading, and uninterrupted thinking.

One of the important features of the library is the open book stacks. This means that students can go into the section where the books are kept and select the copies they wish to check out.

The index for the stacks is the card catalog located at the head of the east stairway on the second floor. In the catalog one can find every book indexed at least three times—by title, by author, and by subject. If you don't know how to use the card catalog or how to find books in the stacks, ask a member of the library staff.

Approximately one hundred and fifty reproduced art masterpieces comprise the picture collection which is available for students' rooms and faculty members' offices. Landscapes, portraits, and modern art works may be checked out.

The Library has also felt the surge of increased enrollment. At the beginning of the term, text books were scarce. Now most needed text books have been received. Instructors of classes still in need of text books will be notified when additional books arrive.

Mr. James Johnson, librarian, says "Our staff is here to help; feel free to ask for it. Those students urgently seeking help should come during the morning and afternoon, in order to avoid the evening rush."

Remember—If you are hunting for information, try the library. In the majority of instances you will find the information there at your fingertips.

The Stroller . . .

Well, "ye olde" Stroller is back again for another week; trying to bring you the interesting sidelights and humorous anecdotes that make up the lighter side of life on the campus at NWMSC.

Lines, lines, lines, seems to be the topic this week. Standing in line for registration wasn't enough for students at this campus. They also stand in lines to eat, to get a drink of water, and sometimes even to get out the front door. What's that old saying? "They also serve who only stand and wait."

Speaking of standing in line to get a drink, the Stroller wishes that the water fountains in the Ad. building would get together and determine just how much water they are going to put out. The one on third floor was adorned with the title "old faceful" by some enterprising artist the other day, and the one on first, although it hasn't been named yet, could possibly be called "old wishful." The only good one in the lot is "old faithful" on second.

With the Northwest Missouri Teachers Association meeting on the campus this week, things are really going to be crowded. Association officials are reportedly expecting about 2,000 teachers to be on campus Thursday and Friday. If you add that 2,000 on to the 1,300 plus persons already here, you can see that . . .

Bringing in just a little more arithmetic, one discovers that if all the teachers and college students should try to go to the meeting at which Dr. Brownell is to speak, people will be sitting about three deep in every seat. Maybe everyone should bring his own lap board.

M Club members are really beginning to crack down on the freshmen this week. Many of the new members of the campus community are finding that when they don't keep their little green chapeaux on their heads they suddenly become permanently attached to them—via surgical tape, of course.

Other freshmen are finding that the M Club thinks they are not in proper attire when they don't wear their signs.

One final comment—Take note of the movie and dance scheduled for the Beacats' Den this Friday night. Miss Simons and the social committee work hard to schedule weekend activities for students; so take advantage of the opportunity they are providing.

A A U P Holds Dinner Meeting

Members of the Maryville chapter of the American Association of University Professors held its re-assembling dinner meeting in the North Dining Room of the Union Monday night.

Mr. Claude Pierpoint, Mr. Elmer Klein, and Mr. H. R. Dietrich presented a panel program dealing with school reorganization plans and the referendum bills.

Headed by Mr. William T. Garrett, second time president of the chapter, the group has as one of its projects of the year the sponsoring of the annual honors banquet for outstanding students on the campus.

The Association stands for the advancement of knowledge and the improvement of the means for its transmittal by college and university professors. It provides a forum for discussion of topics of scholarly and professional interest; it stands for the fellowship of those interested in the intellectual life here and in other colleges and universities where chapters exist.

Officers of the local chapter are Mr. Garrett, president; Miss Olive S. DeLuce, vice-president; Miss Violette Hunter, secretary; Dr. Glenn J. Hoffman, treasurer.

Committee chairmen are Dr. J. Gordon Strong, program; Miss Olive DeLuce, membership; Dr. Irene M. Mueller, arrangements for honor banquet; Dr. Leon F. Miller, time and place; Miss Estella Bowman, selection of honor students; Mr. Charles L. Johnson, publicity.

Whiskering Hope

By Sam

Now I don't know how the rest of you fellows feel about these beards, but the thing is about to drive me crazy. That isn't important, however, because they're creating quite a lot of publicity around town too.

Gee Whiz! I go to town and people say, "That boy is going to college." Well, anyway, that's recognition of a sort, but I've also been called Daniel Boone, Davy Crockett, and a . . . bum. One storekeeper complained to me about the razor blade business, and even my wife won't closely associate with me.

Since I'm practice teaching at Horace Mann, I really get the business. Those kids giggle when they see me, and the ones that don't chuckle, laugh, or guffaw, ask me when I'm going to shave. Well really it's none of their particular business when I'm going to shave, but I've got to give them a respectable answer so I say "Homecoming."

One woman up town gave me a knowing smile and said, "Don't they bother you?" So I gave her one just as knowing and said, "Yes Mam."

Now I don't mind being told I'm going to college, called a bum, laughed at, fighting with my wife, or being asked personal questions; but these whiskers do bother me—they itch; and my only consolation is—I sure enjoy scratching 'em!

They're Talking . . .

. . . and then I walked into the den . . . activity everywhere but the book store, and people are still trying to find out when it is going to open . . . Pat Price (local boy) makes good on the ping-pong table . . . a footballer comes down the back way . . . with a crutch . . . This is a week old, but still good.

They're talking about Jerry Dancer entering King's the other night and missing a limp . . . A guy named Smith wanting to borrow a dollar from the Student Loan Fund to buy a shaving permit—proceeds go to the Student Loan Fund . . . a roaring party that was scheduled, later called off, and the guys who were stuck with their dates for a quiet evening . . . Your dates were stuck, too, fellows . . . the skeleton in Lavonne VanMeter's closet at the dorm.

LITTLE MAN ON CAMPUS

by Dick Biber

"He's th' most sought-after 'Rushee' on campus—it's rumored he can cut hair and may even have a barber's license."

Wedding Bells

Who's who and what's new in the field of matrimony? This information concerns the marriages and engagements of students and former students.

Weddings on the following: Annie Lou Cowan to Robert O. Rowlette, Patricia Louise Cooper to Robert Marley, Lucille Steinhauer to James Vonnahme, Irene Schmitz to James Tobin, Harriet Watson to Jean Crain, Margaret Joan Kowitz to Donald Hegeman, Mildred Maxon to Stanley J. Butt, Roberta Kordes to John Gardner, Evelyn Finter to Richard Severson.

Engagements of Doris Staples to Sterling Evans and of Carolyn Mix to Kirby Lyle have also been announced.

Annual Teachers Meet Will Feature Brownell

(Continued from Page One)
President, New Haven State Teachers College, New Haven, Connecticut.

On Friday morning, the general assembly will feature Dr. W. A. Early whose subject will be "The Teacher's Role of Today." Dr. Early is a native of Virginia, and he received most of his training and experience in that state. He was president of the National Education Association during the 1953-1954 year. At present, he is superintendent of the Savannah and Chatham County Public Schools in Georgia.

Dr. Ethel J. Alpenfels will give the address, "From Adam to Atom," at the third general assembly on Friday afternoon. A professor in New York University's School of Education, Dr. Alpenfels was recently named "Woman of the Month for Teaching" by the Professional Women of the greater New York area, and has been praised extensively for her work in education.

Various departments and sections of the Teachers Association will hold their meetings on Thursday morning and Thursday afternoon. Others will hold luncheon or dinner meetings. Some of the speakers for these meetings are Harold Lickey, president of the Missouri State Teachers Association, who will speak to the Department of Classroom Teachers; Dr. Laura Zirbes, who will speak to the Department of Elementary Education; and Dr. Harry McKown, who will speak to the Department of Secondary Education and at the Knights of the Hickory Stick dinner.

Notice

Every woman student who has a job, either on-campus or off-campus, is to obtain a Health Permit from the College Nurse, Mrs. Smith, second floor of the Gymnasium, and turn it in to Miss Simons at the Union Office. October pay checks, due the first week of November, will be held until the Health Permit is submitted.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Three Co-Ordinate Activities

Shown above are, left to right, Nancy Rainey, Marty Newman, Barbara Taylor, the three sorority presidents who serve on the Hellenic Council.

Rush Week Opens With Tea

Rush season was opened this fall by the annual Pan Hellenic Tea sponsored by the three campus sororities. Many girls interested in the tea attended this tea which was held in Union Lounge on October 3-5 p. m.

The receiving line were Miss Simons, Mrs. Elizabeth sponsors of Pan Hellenic; Marty Newman, president; Miss Neva Ross, sponsor Sigma Sigma; Nancy, vice-president; Mrs. Mauzey, Miss Bonnie sponsor of Alpha Sigma; Barbara Taylor, secretary; Miss Mabel Cook, sponsor Sigma Epsilon. Seated at the tea table were Messrs. Mrs. Clun Price, Albert Kuchs, Mrs. Sterling, Mrs. Harold Fields, Mrs. Condon, and Mrs. J. B. Condon, Jr.

C. E.

Under the direction of Marge Price, president for 1955-56, the Association for Childhood Education recently entertained new students and other new students in the field of elementary education.

The group was introduced to Chloe Millikan and Miss Mary McKee, sponsors. The group's program was directed by Bonnie Cutler.

Those who were recently pledged were Beverlee Mason, Carolyn and Marcia Williams. Many other girls who were pledged are Nancy Anderson, Benedict, Judy Cross, Carol Curfman, Theola Carlson, Dieterich, Colleen Dunn, Foley, Wilma Greever, Mary Hughes, Jean Jensen, Bevin Johnston, Mary Lee Landon, Moore, Sarah Lorraine, DeLong, Sharon Olson, George-Stadler, Ruth Stephens, Jean, and Carol Tilton.

The association is looking forward to hearing Dr. Laura Zirger, noted educator, speak at an E. dinner on Thursday, October 6.

Grabau and Houghton Are Ag Co-sponsors

Thirty-two members attended a recent Ag Club meeting. Coming events and activities of the organization were discussed.

Three new officers were elected to fill the existing vacancies. Dick Smith was elected president; Joe Scott, vice-president; and Gene Frederick, reporter.

Mr. Myles Grabau, a new member of the College agriculture department who is actively interested in agriculture, is now co-sponsor with the regular sponsor, Mr. F. B. Houghton.

Committees for Homecoming are the following: float, Maurice Johnson, Raymond Butt; window display, Daryl Johnson, Jim Hendrick, and James Merritt.

Alpha Sigmas

Once again the time for Homecoming is drawing near and everyone is busy making preparations for the big event.

For the various Homecoming committees the Alpha Sigs have chosen as chairman of the house decorations, Carol Gamble; humor float, Nancy Kariger; skit, Pat Adams; and beauty float, Carol Bressler.

Plans are also being made for the rush parties with Kay Ferguson and Norma Long as co-chairman of the informal parties and Carol Gamble, chairman of the formal party.

F. T. A.

At the first meeting of the Future Teachers of America the following officers were elected: Jim Wiggins, president; Dale Brown, vice-president; Mary Kaye Fulton, secretary; Gary Funkhouser, treasurer; Barbara Crow, librarian-historian; Helen Kennedy, program chairman. Gwen Grove and J. W. Stone were made ex-officio members.

Dr. Wanda Walker, member of the education faculty, is the new organization adviser.

At the September 21 meeting, Sidney Jones was appointed chairman of the Homecoming window display committee.

Fraternities Choose Committees

Social fraternities on the College campus are planning ahead for the big Golden Anniversary Homecoming this year. To start the wheels moving these organizations have recently elected committees to carry out their projects.

Sigma Tau Gamma

Sigma Tau's annual alumni banquet is scheduled to be in the Armory Building. Committee members are: alumni banquet, Weldon Dowden; skit, Frank Russell, Curt Thomas, John Watson, Jerry Davis; jalopies, Jerry Davis, Wayne Boydston; alumni welcome signs, Mike Hutcheon, Lou Linville; beauty float, Don Pierpoint, Weldon Dowden; humorous float, Bob Smith, Jim Joy; house decorations, Larry Rowley, Frank Davis; window decorations, Lex Creamer, Ron Bradley; clowns, John Woody.

Phi Sigma Epsilon

Phi Sig members on their Homecoming committees are: window decorations, Vic Cromer, Norman Higginbotham; skit, George Green; house decorations, Roger Cook, Bob Roberts, Gerry Wurster; beauty float, Myron Mock, Lester Wooten, Bob James, Gene James; humor float, Jerry White, Bob Crockett, Walter Arms.

Tau Kappa Epsilon

Special committees which have been appointed by TKE are the following: beauty float, Jim Snapp; house decoration project, Ralph "Diz" Barnett; window decoration chairman, Vernon Jenkins; miscellaneous man, Art Buckingham; co-chairmen in charge of the TKE variety show production, Jim Gromer, Bob Wilson, Chuck Gorton; comedy float, clowns, and jalopies committee, Dick Dinkel, Lloyd Mather.

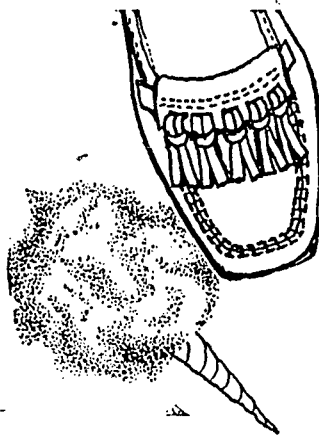

PEM Club

PEM Club held a get acquainted picnic for the women physical education majors at Barbara Benning's farm. New freshman majors are Wanda Bennett, Marsha Creason, Ferral Foster, Marilyn Fulton, Laura Gregg, Barbara Heenan, Mary Howland, Alice Lukehart, Katherine McDermitt, Margaret O'Connor, Shirley Peterson, Ruby Schenkel, Helen Stevens, JoAnn Swanson, Bette Tudder, Sue Williamson, and Nadene Wolf. Sherri Heath, sophomore, is a transfer from Cedar Rapids, Iowa, and Sharon Kirkman, sophomore, is a transfer from Trenton Junior College.

Officers of PEM Club are Virginia Watkins, president; Donna Thompson, vice-president; Judy Beemer, secretary-treasurer; and Pat Adams, reporter.

Independent Club

I. C. committee chairmen for Homecoming projects are as follows: beauty float, Eldon Patterson, Elvin Long; humor float, Mac Allen Edwards; house decorations, Veldeva Cochran; skit, Alleen Turner, Naomi Shipley; clowns, Ruth Rethemeyer, Charlene Ashley; jalopies, Ed Herde, Frank Garey; coffee hour, Shirley Woodring.

Town and Country

Fighting Bearcats Receive Instructions From Coaches

The Bearcats seem rough enough, but assistant Coach Bob Gregory, left, and Coach Ryland Milner want to be sure they are. This "get-in-there-and fight" talk by the coaches is intended to inspire the team. Game time is 8:30 at Memorial Stadium, Saturday night. The Cape Girardeau Indians will be there!

Johnson Passes for Three TD's As Bearcats Suffer 27-13 Loss

The veteran-laden, heavy and rangy Ft. Hays Tigers combined accurate passing and a fast running game to stop the 'Cats 27-13 at Memorial Stadium, Saturday.

Fresh from a 19-7 victory over Springfield, the Tigers practically had it their way throughout the game. But Maryville threw several scares into the visitors and brought a partisan crowd to its feet in hopes of scores, only to see pass interceptions by the visitors nullify the attempts.

The second quarter opened up with the Bearcats eyeing the up-rights. Then a blow fell. A long pass from Darrell Walker to the intended receiver, Vic Cromer, was intercepted by Ft. Hays' Ford Farber on the Tigers' 12.

It was then the Tigers started. In a sustained 88-yard drive, the Ft. Hays' team ran and passed with abandon. They made seven straight first downs.

The 'Cats took the following kick off on their own 18 yard line.

Then with a fast opener, Mickey Mallen, Bearcat right half, outraced the Tigers for an 82 yard touchdown jaunt. But the score remained 7-6 when Darrell Walker's kick for the point went wide.

The 'Cats took the ball shortly after and marched down to the Ft. Hays field to the Tigers' 32. Then again the tigers intercepted another Walker pass on their goal line to stall a second touchdown threat.

The second half was tipped way in favor of the visitors.

The Bearcats' 'Hoot' Gibson took the kickoff on his own 15 and cross-legged up the field to the Ft. Hays 20. The 'Cats moved the ball down to the Tigers 7 but lost to the 13. They attempted a field goal. The kick was blocked and in the surprise, a Ft. Hays player picked it up and ran it back to the 42.

The Tigers started driving again and went into a 58 yard march. It

ended with Johnson hitting Pruyn from 12 yards out for another TD pass. Pruyn also kicked the point after.

A few minutes later Jerry Donaldson, Bearcat end, crashed in and blocked a Tiger punt behind the visitors' goal. He also fell on it for a Bearcat score. Larry Butler kicked the conversion.

The Tigers took the ball again and marched from their own 38 after the kickoff down to the Bearcat goal and another touchdown. Johnson hit Otho Sweazey, right half, this time from 14 yards out. Pruyn ran the ball over for the point after, after he had fumbled and recovered the throw from center.

A few minutes later another Maryville pass was intercepted on their own 45 and the Tigers started another march. Their final touchdown was capped in a four yard buck by Jim Casper for the tally. But the kick for the point was wide.

The Tigers had won 27-13. Coach Milner used 41 of his 48 boys suited up for the game. Only

one serious injury was reported. Dick Flanagan, Bearcat fullback, received an injury to his left arm.

STATISTICS		Ft. Hays	Maryville

Conference Begins Indians vs. 'Cats

The big Green and White will be seeking revenge this Saturday night when they take on the power packed football team from Cape Girardeau. Cape looms as the conference favorite this year with a power team that will be hard to stop.

Coach Milner says, "We are going to have our hands full, but we hope to take care of them. We will hustle until the final whistle, and we hope for an upset."

This week, the Bearcats have

been emphasizing their offense with encountering new plays, which they hope will foil the Cape defense.

The 'Cats have looked good in their last three outings. The entire forward wall has turned in tremendous efforts both on offense and defense. With Hague, Schenkel, Messbarger, Schulze, Wogan, and Cromer, the 'Cats' line has been taking care of almost anything that comes into reach. Bill Cain and George Haskey have been supplying the necessary reserve strength. In backfield, Walker, Mallen, and Maher have been the stalwarts thus far. Davenport, Powell, McGinnis, and O'Dell have also been in the game helping the 'Cats in the backfield. Ruby, Donaldson, Ward, and Clark are showing great possibilities and they will give the regulars a tough time for the starting berths.

The attendance has been good at the two past home games, but the stands still aren't filled. This game Saturday will prove to be a thriller; let's all make it a point to see the 'Cats in action!

Random Shots . . .

Fad Number 1 among the football squad is giving one another nicknames. "Big John" Schulze seems to be giving them out. Some you might hear are Don "Lank Eyes" Schenkel, Ron "Candidate" Wray, Homer Dale "Hog", Dick "Mousy" Wogan. Two tennis stars who will be featured in the intramural tennis tournament will be Lewis "Road Runner" Linville and Henry "Killer" Southard.

Freshmen this year should be thankful to the M Club for being easy on them so far. Better walk a straight line, Freshmen. Jack Spence may be hiding around the corner.

"Candidate" Wray's new problem is not football any longer; it is his study hall class over at Horace Mann. The students sleep.

NOTICE

All boys interested in basketball are to meet at the gymnasium, Thursday, October 6, at 4:00 p. m.

Coach Gregory

"B" Team Explodes To Win Late, 13-7

The Bearcats' "B" team won a hard fought battle against William Jewell "B" team at Memorial Stadium, September 27, 13-7.

In the first quarter Ashworth made a surprising 67 yard run but the play didn't count as the 'Cats were offside. Also in the first quarter, Georgeoff returned a punt for 75 yards and the Cardinal touchdown. He also kicked the extra point.

The 'Cats got in the scoring in the second quarter when Valli passed to Mendenhall from the yard line to the 15, and after the plays failed for the TD, Valli again passed, this time to Gold for the 'Cats first touchdown. Hunt's extra point attempt was blocked.

With four minutes remaining in the game, Ashworth received a pass from Powell and then ran the rest of the distance to the touchdown. This pass played covered 70 yards. All this was made possible when Powell intercepted a Cardinal pass. B. Hunt then kicked the extra point.

Fine line play was noticed by the fans with Lockridge, Smith and Hunt as standouts. Powell, Tobin, Clark, and Valli were among the men who turned in fine jobs in the backfield.

The "B" team will see action October 6th against the same Jewell "B" team when they will meet at Liberty.

Football Schedule

Home Games
